ZENIUS

The only machine you need
is one that suits your business needs

NESPRESSO

A WORLD OF PERFORMANCES AT YOUR FINGERTIPS

Zenius is the ideal machine for small and big companies looking for quality and simplicity.

A DESIGN THAT MAKES THE DIFFERENCE

Zenius is fast and efficient, heating water to the optimum temperature for coffee, in just **35 seconds**. It is designed with high quality materials chosen for the robustness of internal and external elements, as well as with an energy saving mode. Exceptional quality coffee and hot water are prepared quickly, at the touch of a button.

Nespresso, an exclusive system creating the perfect espresso, time after time. Each parameter has been calculated with great precision to ensure that all the aromas from each Grand Cru can be extracted, to give the coffee body and create an exceptionally thick and smooth crema.
